MEMORANDUM FOR: Chief, [REDACTED] Engineering Division

SUBJECT : Work and Storage Area for the Moveable Shelving Contractor
25X1A9a

ATTN :

25X1C4a

REFERENCE : Site Plan - [REDACTED]
Oct. 1970

The loading dock area and parking area identified on referent Site Plan for use by the contractor cannot be made available for continued use by a contractor. Use of these areas for storage or parking would interfere with the normal daily operation of the Archives and Records Center. Also, the use of the loading dock would interfere with the Security classified waste disposal program.
